ABOUT US

Pryor to Success, Inc. is a 501(c)(3) nonprofit organization committed to empowering youth by promoting academic achievement, encouraging character development, and providing essential tools and educational resources to help them thrive on their journey to success.

Founded in 2022 by Teyana Pryor, a native of Cedartown, Georgia, the organization was born out of her passion for supporting others, mentoring youth, and emphasizing the value of education. What began as a mentorship program for young girls with a focus on career exploration quickly evolved into a broader mission to make a lasting impact on the community.

Since its inception, Pryor to Success has:

- Hosted an annual back-to-school supply drive, serving over 900 students in three years.
- Launched a mentorship program tailored to young girls, helping them explore their interests and set goals for the future.
- Provided scholarship opportunities to students in the Polk School District and the state of Georgia.
- Organized college tours to expose students to higher education pathways.
- Partners with the Boys & Girls Club to offer monthly character development sessions.
- Created various volunteer opportunities to engage youth in community service.

Through these initiatives, Pryor to Success continues to uplift and inspire the next generation of leaders, scholars, and changemakers.

WHAT IS THE SUMMER EXTRAVAGANZA?

This vibrant, community-centered event is more than a celebration—it's a mission in action. Every year since 2022, we come together to equip K-12 students with essential school supplies, fresh haircuts, complimentary meals, and fun-filled activities that foster excitement for the school year ahead.

The Summer Extravaganza also creates a welcoming platform where local organizations, small businesses, and community leaders can connect with families, share resources, and inspire the next generation. Vendors are invited to showcase and sell their products and services, making this a true community marketplace.
