## About Us

Pryor to Success, Inc. strives to encourage character development, promote academic success, and bridge the gap with necessary tools and educational resources for participating youth on their journey to success.

Pryor to Success was established in 2022 by Teyana Pryor, a native of Cedartown, GA. Driven by her passion for aiding others, influencing youth, and promoting the importance of education, she launched a mentorship program tailored for young girls aged 12 to 21, focusing on their career aspirations. During the initial planning phase, Teyana recognized the potential for broader impact. Since its inception, PTS has organized an annual back-to-school supply drive, benefiting over 450 students within two years. In addition to the mentorship program and yearly event, PTS has offered resources to Polk School District students including an annual scholarship, arranged college tours, collaborated with the Boys & Girls Club for monthly character development sessions, and facilitated various volunteering opportunities.

The Summer Extravaganza is a community affair hosted by Pryor to Success, Inc. at the Polk County Boys & Girls Club.

The main purpose of the event is to give away school supplies and haircuts to K-12 students. Additionally, we offer complimentary food, games, and activities. In the spirit of community, we create a space for organizations and businesses to showcase resources for youth & their families. Small businesses are invited to sell their products and services as well.

***We are seeking your sponsorship to ensure the remarkable success of this event. In 2022, we distributed 150 bags of school supplies, followed by 308 bags in 2023. Our ambitious target for 2024 is to provide 600 bags, maintaining our tradition of doubling the quantity each year.***
